2022 CHENGDU
18TH ITS ASIA PACIFIC FORUM

About the Forum

The 18th ITS Asia-Pacific Forum will be held from April 27-29, 2022 in Chengdu, China. Initiated by ITS Asia-Pacific, the Forum has become the most prestigious ITS event in the Asia-Pacific region. With the theme of "ITS Driving for a Better Life", the 18th Forum will bring together ITS practitioners to exchange ideas and initiate dialogues on how to provide ITS solutions to advance into a more livable, smarter and greener life. It is intended to advance the level of coordination and collaboration across the industry, thereby contributing to the actualization of ITS developments in social life.

The forum lasts for three days and comprises plenary, executive, technical & special and interactive sessions, exciting exhibition, technical tours and social activities, as well as special program specially designed for young ITS professionals.
